

*My dear sisters and brothers,*

As many of you know, our beloved school principal, Katie Murphy, will be retiring this June. Katie has had a distinguished 47-year career in Catholic Education and we have been blessed to have been served by her for the last 30 of those years. Our entire Corpus Christi community will be celebrating her dedicated service on Sunday, June 9, 2019 at the 10:30 am liturgy. Please mark your calendar so you can join us! The celebration will continue after mass in the school.

Our community may not be aware that when Katie retires, she will receive a limited Diocesan pension but no health benefits. When asked what she might like for a retirement gift, Katie's wish was that our community continue to support tuition assistance. But I feel strongly that a personal gift to Katie is equally, if not more, important. In this light, parish and school families have established a personal account for Katie, affectionately known as the "Katie Murphy Happy Trails Fund" where you can thank and honor her by making a private contribution. We will present this gift to Katie at the celebration on Sunday, June 9, 2019. Katie will be able to use these funds however she wishes.

If you wish to donate to the Katie Murphy Happy Trails Fund, you can write a check payable to Katie Murphy and send it to the parish office. You can also donate electronically at [www.auctria.com/auction/happytrailsKatie](http://www.auctria.com/auction/happytrailsKatie). Contributions to this fund are a private gift to Katie, not to the parish or school, and they are not tax deductible.

I look forward to celebrating Katie with you on Sunday, June 9!

*Love,  
Fr Leo*
