### Operation Rice Bowl!

**Ash** Wednesday, February 26<sup>th</sup>, marks the beginning of our Parish's involvement in **Operation Rice Bowl**, sponsored by Catholic Relief Services and the Diocese of Oakland. All families are asked to take home a cardboard Rice Bowl, available at the entrances to the Church and at the Parish Office. At the end of Lent, families will be asked to bring the filled bowls back to our Parish. Proceeds will be sent to CRS. Thank you for your involvement!

My Dear Brothers and Sisters,

In less than a week, we will begin the Season of Lent, a time of repentance and reflection. In anticipation of that forty-day experience, I have some thoughts to share with you.

In his book, The Screwtape Letters, C.S. Lewis describes how the devil has cunningly seduced us into believing one of two fictions about him. Some of us believe that if he ever existed, he no longer does, that he has gone the way of witches, ghouls and goblins. And those of us who do believe in Satan have such a distorted, almost cartoonish sense of him that we have rendered him harmless. When we think of Satan, we visualize a red suited man with a devilish smile, horns on his head, a pointed tail and a pitch fork. A mischievous tempter. To think of Lucifer as a serious threat seems old fashioned and ridiculous.

If C.S. Lewis is correct in describing our attitude towards the devil, then we have a serious problem. Not only is Satan alive and well, but he is the source of great evil. He is capable of destroying our happiness and leading us to utter destruction. I know that my words seem melodramatic, but that is not my intent. It is important that we understand that just as God calls us into relationship, so does the devil.

Lent is a time for us to accept the truthfulness of the words of St. Paul, "...I do what I ought not do, and avoid doing what I should do." We are not only objects of Lucifer's evil intent, we are active participants. WE SIN! And our sinfulness has serious consequences, not just for ourselves, but also for others.

As we approach the Season of Lent, we all need to reflect on our moral culpability and commit ourselves to developing a plan of repentance.

Love, Fr. Leo

### Lenten Prayer

Good and Gracious God,  
You who are full of compassion,  
help us to show compassion towards others this Lent.  
During this Holy Season we:  
pray that we may be transformed,  
fast in solidarity with those who are hungry,  
learn to live with less,  
and give so that others may live.  
May we join in solidarity as one human family  
and love one another as you love each of us.

Amen.

### Ash Wednesday & Lenten Observances!

The Lenten fast begins with Ash Wednesday. On this day, we are signed with a cross for we live under that sign and in that sign. Lent in a very special way points out that we are pilgrims. For seven weeks, we walk with Christ in response to his invitation, "Let us go up to Jerusalem." The penances, the fasting and all the other aspects of Lent are the hardships of the journey. The Church gives us the cross of ashes on Ash Wednesday to show that we have pledged ourselves to walk with Christ during Lent. On Ash Wednesday, Ashes will be distributed during the 8:00 a.m. Mass, the 7:00 p.m. Mass and also during the School Mass at 10:30 a.m. Don't forget, all Fridays of Lent are days of abstinence from meat and meat products. This law obliges everyone who is fourteen (14) years of age and older. Ash Wednesday and Good Friday are days of fast and abstinence (one full meal, two lesser meals, no meat, no eating between meals). The law on fasting obliges all persons who are between the ages of eighteen (18) and fifty-nine (59).

### Feast of Faith: The Opening Prayer!

At the conclusion of the Introductory Rites of the Mass, the presider says or chants the words "Let us pray," followed by the Opening Prayer. This prayer is also called a "collect" because it gathers or "collects" the prayers of the entire assembly into one. The Roman collects that we pray in our liturgy -- noted for the brevity, clarity and conciseness of the Latin originals -- date from a variety of periods. Some are quite new; others reach back more than a thousand years. They are truly treasures of our tradition.

The Opening Prayer can be divided into four main parts: 1) the invitation, or "Let us pray;" 2) the silence that follows, during which each member of the assembly lifts up before God his or her own prayers; 3) the collect itself, spoken or sung by the priest; 4) and finally the Amen, by which the assembly says, "yes," "may it be so," making the prayer their own.

The collect itself almost always follows the same pattern. It begins with an invocation to God. A petition follows, usually very general. We ask for health, strength, wisdom, grace, forgiveness, faith, awareness. Every collect concludes by offering the prayer to God through Jesus Christ. With the Amen of the assembly, the Introductory Rites of the Mass come to an end.
